

The background of the slide is a vibrant, cartoon-style illustration. At the top left, a bright yellow sun with rays is partially hidden behind a white cloud. A large, multi-colored rainbow arches across the top right of the sky. The sky is a clear, bright blue. In the center, a large, fluffy white cloud contains the text. Below the cloud, the landscape features rolling green hills. In the foreground, there are two large, leafy green trees with brown trunks, one on the left and one on the right. The ground is covered with a variety of colorful flowers, including white daisies, pink blossoms, and yellow flowers. Several yellow butterflies are scattered throughout the field.

Summer Vacation
Activities**

**Topic - GO GREEN, ROOT CONNECT (SUSTAINABILITY, REDUCE,
REUSE AND RECYCLE.)**

ENGLISH

Recycle old newspapers/papers to make paper bags. Decorate it with dry leaves/dry flowers/pencil shavings or any other waste material. Write a few lines on the method/steps to prepare it.

GO GREEN

विषय – हिंदी

‘धरती को हरा-भरा बनाने में
मेरा योगदान’ विषय पर
अनुच्छेद लिखो ।

A decorative border surrounds the page, featuring various colorful Easter eggs with patterns like zig-zags, dots, and stripes. The eggs are interspersed with green leaves and small flowers in shades of yellow, white, and pink. The background is a light green color.

MATHS

Make an angle
tester by using
ice-cream sticks

EVS

Reuse a plastic bottle or a pot to plant any seed.
Water it and take proper care of it. Watch it grow into a plant.
